

IBERITAL

A 360° Experience

# Expression Pro

A vintage enclosure designed with modern ergonomics for a classic refresh.

Designed to inspire. With minimalist and elegant lines, the Expression Pro is perfect in every sense. Every contour, every piece and every interaction has been carefully made to make this espresso machine stand out.

Automate and control the parameters of extraction with Expression Pro's unique touchscreen that provides greater precision. Expression Pro comes

with a dual boiler system, one boiler for coffee and one boiler for hot water and steam. With greater control, the barista can set the correct and precise temperature for serving coffee and ensure high temperature stability, even in peak hours and high demand coffee shops. Make your Expression Pro unique by customizing the back panel with your own claim or logo.
